Basics:

1. Legible copies of your list must be provided to your opponent after each game. **This will be an OPEN list event. Take time to add up the scores correctly. Use your opponents list to verify the victory points are correct.**
2. Armies should be 4500pts from The 9th Age Fantasy Battles website. Army and main rules released by October 19, 2021 will be in effect. **List turned in by Oct. 26th is 10pts. 0pts after Oct. 26th. We hope to publish all lists in advance. If you change your list for any reason, the change date will be used as your submission date.**

General Gaming

1. Look up rules issues. If you call a judge, they will have the final word. No exceptions.
2. No swearing or offensive language or actions. You may be warned or asked to leave without a refund depending on the offense and/or number of offenses.
3. Roll your dice in an open area and make sure your opponent can see them. Reroll cocked dice and dice that do not land on the playing table.
4. When you are done with a game, you may watch other games in process. Please be considerate of the players. It can be distracting to have a group watching and commenting on your game.
5. **Do not start a turn that you cannot finish in the remaining time of the round. You will be docked 5pts each at the discretion of the Facilitator for late finishing rounds.**

Terrain

Terrain is preset and should not be moved. If terrain is moved during the game or appears pushed to one particular area, please use terrain sheet and re-place terrain in assigned spots before deployment.

Tournament Scoring

Tournament scores will be totaled from the following:

- Battle Points from Game Rounds (0-20) per round
- Sportsmanship (0-25)
- Painting Scores (0-25)

List turned in by Oct. 30th is 10pts. 0pts after Oct. 30th.

Sportsmanship

At the end of each game, you will be asked to complete a sportsmanship questionnaire up to 5 points per round. 3pts will be based on yes/no questions. 2pts will be based on your general impression.

At the end of the tournament you will also be asked to vote for the 'Favorite Opponent' amongst those players you played over the weekend. Keep track of who you played on the sheet provide in the event pack. **You may assign two Favorite Opponent points to one person that you played and one Favorite Opponent point to another person that you played. You may choose not to assign any bonus points at all.**

The favorite opponent vote will add to the Best Sportsmanship Award.

Generals Choice

Players vote for their favorite army for any reason such as theme, painting, composition or any reason they think should win an award. You can vote after round 1 and after round 2. Leave your army out with your name visible after round 1 and 2. Votes are due by the end of day 1.

Painting Scoring

Fully painted armies are strongly encouraged. To meet this goal we are awarding fully painted armies points for the effort to have a coherently painted army that looks like it belongs together.

Nothing or partially painted: 0 points

Fully painted, not cohesive or "finished": 10-19 points

Fully painted, coherent and well done! 20 points

WOW 20-25 points

This level will be the hardest to achieve, and will only be awarded to the very best armies.

The Best Presentation will be determined from those getting more than 20 points. The judges will not add any additional tournament points over 25.

Grudges

Grudges are allowed if both players submit lists before Oct. 26th. Please send me an email to jeff7072@comcast.net with both players and myself in the to: or Cc: lines to verify that the grudge has been accepted.
